

In the Specification:

Please replace the paragraph beginning on page 35, line 8, with the following rewritten paragraph:

The steps of process for generating such a license will be explained with reference to the flowchart of Fig. 10. The flowchart shown in Fig. 10 represents a subroutine of the steps of the process for generating a license shown in step S310 of Fig. 5. In Fig. 510, first, one word is read out of the ACL described above (step S400). Then, it is determined whether the word read out is '(' or not (step S410).
